- 1.2 The CDF is part of the Catholic Church in the Archdiocese of Canberra and Goulburn and only lends for church related projects such as schools, aged care, hospitals and community welfare.

2) Interest

- 2.1 Interest is calculated daily and paid twice yearly on the 30th June and 31st December.
- 2.2 Financial year interest is always obtainable from the client's CDF Online Saver.

3) Statements

4) Access

- 4.1 Access to the CDF Online Saver is restricted to the internet.

5) Security

- 5.1 A Login Number and Password will be provided to operate the account.
- 5.2 The Login Number and Password may be changed at the account holder's discretion. Sometimes the system will also demand that the password be changed. It is most important that the Login Number and Password be kept secure to prevent unauthorised use of the account.
- 5.3 As another security measure, external transactions are only permitted to an account that has been specifically registered with the CDF. Hence, even unauthorised access to an account will not allow the transfer of funds to an unauthorised external account.

6) Transactions

- 6.1 Deposits in a CDF Online Saver can be made by:
 - 6.1.1 Transfer from a commercial account registered by the **account holder** for use with the **account holder's** CDF Online Saver.
 - 6.1.2 Automatically from salary. *Please contact the CDF for further advice.*
 - 6.1.3 Cheque at the CDF office or through the post or through the Commonwealth Bank (using a specially customised deposit form available from the CDF).
- 6.2 Withdrawals from the CDF Online Account are only possible to an **external commercial bank account** that has been registered with the **CDF**.
- 6.3 Once the commercial bank account has been registered with the CDF funds may be transferred **to** or **from** the account via the CDF Online Saver account.
- 6.4 Funds can only be debited from a commercial bank account held in the account holder's name.
- 6.5 A limit of up to \$2000 must be set for transactions to or from the CDF Online Saver account.

7) Critical Times

- 7.1 Information available through CDF Online will reflect the most up to date account information.
- 7.2 The cut-off time for all external value transactions is 3pm (AEST).
- 7.3 Transactions made after 3pm will be processed on the following business day.

8) Disclosure Statement

The Catholic Development Fund (CDF) is not subject to the provisions of the Corporation Act 2001 nor has it been examined or approved by the Australian Securities and Investments Commission. Deposits with the CDF are guaranteed by CDPF Limited, a company established by the Australian Catholic Bishops Conference for this purpose.

We welcome your investment with the CDF rather than with a profit oriented commercial organisation as a conscious commitment by you to support the charitable, religious and educational works of the Catholic Church. Neither CDF nor the Trustees of the Roman Catholic Church for the Archdiocese of Canberra and Goulburn are prudentially supervised by the Australian Prudential Regulation Authority; contributions to the CDF do not obtain the benefit of depositor protection provisions of the Banking Act 1959; CDF is designed for investors who wish to promote the charitable purposes of the CDF.
